the course Maitreya, when he was training on the Bodhisattva path, recited this prayer three times during the day and three times during the night. Maitreya is the Buddha of Love. He is also the coming Buddha in this universe. In Buddhism Love is not merely an emotion, it is rooted in wisdom. It is the ignorance and confusion that causes our states of hatred, restlessness and fear. Love is the natural state of our being. But this state is covered by many layers of confusion and delusion. The text of the prayer is a guideline towards the purification of our mind.
